

## **National Chung Hsing University Recruitment – Faculty Position Openings –**

Department of Chemical Engineering, National Chung Hsing University (NCHU), Taiwan, has an opening for a position with a proposed starting date of August 01, 2025 at the rank of Assistant Professor, Associate Professor, or Full Professor. Candidates must have a Ph.D. in Chemical Engineering or related fields. We seek the best candidates, with preference given to those with research interests that are synergistic with existing departmental strengths in the three areas of advanced materials and precision manufacturing, biochemical and biomedical engineering, and polymer science and nanotechnology. The candidates are also expected to demonstrate excellence in teaching the undergraduate/graduate level courses. Candidates who make it to the short list are expected to have person-to-person interviews in Taiwan.

### **How to apply:**

Eligible candidates may fill in the required information through the online system at <https://forms.gle/HrcDatbt48m3pZHfYA> and upload the combined document in PDF format including a curriculum vitae (including a publication list), a statement of research plan, a statement of teaching interests ([download form](#)), copies of the degrees awarded (Bachelor, Master, and Ph.D.), transcripts, and reprints of selected publications. You are also required to send two letters of recommendation to Director Li, and you are welcome to provide other relevant information that may assist in the review.

Prof. Lee, Rong-Ho, Chair  
Department of Chemical Engineering  
National Chung Hsing University  
145 Xingda Rd., South Dist.,  
Taichung City 402, Taiwan (R.O.C.)  
Enquiries to Professor Chen can be made at e-mail: [rhl@nchu.edu.tw](mailto:rhl@nchu.edu.tw)

### **Important dates:**

Last date for receipt of application: **May 31, 2025**

Starting date of employment: August 1, 2025.
