

National Chung Hsing University
Department of Chemical Engineering
Guidelines for Graduate Students' Thesis Proposal Presentations

*Approved by the Departmental Affairs Meeting on March 2, 1999
Revised by the Departmental Affairs Meeting on February 18, 2004
Revised by the Departmental Affairs Meeting on March 18, 2005*

Article 1 : Doctoral students in the department who have completed their required period of study and meet the criteria for doctoral candidacy may propose a thesis to the Doctoral Candidacy Examination Committee. During the committee meeting, apart from qualification review, students must present their thesis proposal.

Article 2 : Students must submit an application form for the thesis proposal presentation and deliver it to the department office for centralized processing and announcement.

Article 3 : The thesis proposal presentation must include at least five review committee members for scoring. The composition of the committee should meet the eligibility criteria specified in the degree examination regulations for thesis examination committees.

Article 4 : The score for the thesis proposal is determined by the average score given by the review committee. An average score of 70 or above is required for graduation.

Article 5 : The results of the thesis proposal presentation must be submitted to the department office at least 20 days before the degree examination. It is a mandatory requirement for graduation.

Article 6 : These guidelines shall be implemented following approval by the Departmental Affairs Meeting.
