

# **National Chung Hsing University Department of Chemical Engineering**

## **Regulations for the Review of Graduate Student Scholarships and Assistantships**

Approved by the Department Affairs Meeting on September 6, 2000  
Revised and Approved by the Department Affairs Meeting on June 22, 2012  
Revised and Approved by the Department Affairs Meeting on February 26, 2014 (Amendments to Articles 2 and 4)  
Revised and Approved by the Department Affairs Meeting on September 21, 2022 (Deletion of Article 4)

---

### **Article 1**

These regulations are established in accordance with the "Implementation Guidelines for Graduate Student Scholarships and Assistantships at National Chung Hsing University."

### **Article 2**

Graduate students admitted as regular students to the master's or doctoral programs in this department are eligible to apply for graduate student scholarships and assistantships. Students admitted as in-service (working professionals) are not eligible. The application, review, and approval of the graduate student scholarships and assistantships are managed by the Graduate Committee of this department.

### **Article 3**

The department's graduate student financial support is divided into scholarships and assistantships.

- Scholarships are merit-based and are awarded to outstanding students as determined by the department's review process.
- Assistantships are need-based, and applicants must assist with teaching-related affairs in the department and apply with the recommendation of their advisor.

### **Article 4**

(Deleted on September 21, 2022)

### **Article 5**

These regulations shall take effect upon approval by the Department Affairs Meeting and subsequent ratification by the university president. The same procedure applies to any amendments.
