

National Chung Hsing University Department of Chemical Engineering

Graduate Thesis Proposal Report Regulations

Revised:

March 2, 1999, Department Affairs Meeting
February 18, 2004, Department Affairs Meeting
March 18, 2005, Department Affairs Meeting

Article 1

Ph.D. students in this department, upon completing their coursework and meeting the requirements for the doctoral candidate qualification review, may submit their Ph.D. dissertation proposal for review by the doctoral candidate qualification committee. During the committee meeting, in addition to the qualification review, a dissertation proposal report must also be presented.

Article 2

To apply for a dissertation proposal report, students must fill out the application form and submit it to the department office for processing and announcement.

Article 3

The dissertation proposal report must have at least five (5) committee members (including) to attend and provide evaluations. The committee members must meet the qualifications required for dissertation examination as outlined in the degree examination details.

Article 4

The dissertation proposal report grade is determined by the average score of the evaluation. A minimum average score of 70 (inclusive) is required to graduate.

Article 5

The results of the graduate student's dissertation proposal report must be submitted to the department office at least 20 days before the degree examination and will be a necessary condition for graduation.

Article 6

These regulations are effective after being approved by the department affairs meeting.
